&

MISE EN COULEUR

193 couleurs originales inspirées des tendances décoratives
et réalisables à partir de colorants minéraux

PEINTURES

Gamme formulée à base de composants
naturels & biosourcés

En plus d'être décoratives, Unikalo vous propose, avec Naé le meilleur compromis jamais formulé entre respect de l'environnement & performances techniques.

PERFORMANCES ENVIRONNEMENTALES

- Taux de C.O.V. très faible : <1g/l
- Résine végétale à 92% biosourcée

- FDES présentes sur la base INIES
- Conforme à la démarche HQE
- Ecolabel en blanc et teintes
- Certifiée Zone Verte Excell® en blanc et teintes

PERFORMANCES TECHNIQUES

- Disponible dans un large choix de teintes
- Bonne opacité
- Temps de séchage adapté
- Aspect poché fin
- Lavabilité : Classe 1 pour les finitions
- Très grande dureté du film
- Grand confort d'application
- Disponible en impression et deux finitions : mate et veloutée
